Dance Flamenco DC is about Community

Each class has a private WhatsApp group chat where we share information, class updates, music and practice videos.

We offer many ways to participate so you can learn Flamenco by LIVING it!

At the Studio: Salons / Gatherings / Movie Night / Open Houses / Visiting Artist Workshops

In the Community: Cultural Events; End-of-Year Theater Recital; DCPS Arts in Education

Field Trips: Local Shows / Festivals / NYC (and soon New Mexico & Spain!) / On line *Tertulias* & more.
